

EXTREME MAKEOVER

AT GREENHOUSE APARTMENTS

PAVING THE WAY!

Welcome to Extreme Makeover at GREENHOUSE APARTMENTS, our new community construction newsletter, designed to bring you the latest updates on the rehabilitation of our property.

We have exciting news to share with all of our valued residents. As most of you already know, construction has officially begun at GREENHOUSE APARTMENTS. The rehabilitation of our community will continue throughout 2008. We'll be completing one floor at a time, working on the interior and exterior changes simultaneously. Please note, we're starting with the top floor and working our way down.

Improvements throughout the community include: upgrading the community's landscaping, parking lots, and hall lighting on all floors. New fencing, roof and property signage will be installed. Common areas as well as our lobby entrance and leasing office are also scheduled to be renovated. All homes will receive new windows, sliding back doors and painting.

Replacement of bathroom vanities, kitchen cabinets, counter tops, range hoods, lighting, refrigerators, vinyl flooring and carpeting are also scheduled in select units.

All residents will be notified in advance as to when your apartment home will be impacted by the construction. In the meantime, please feel free to contact our leasing office directly at 313.537.9598 with any questions.

We're pleased to announce that Tiffney Beard will be taking over Patrina's role as community manager at GREENHOUSE APARTMENTS. Tiffany has been part of the AMURCON team for more than three years and previously served as assistant manager at Bicentennial Tower.
